

Poster Brief

Programme

The final programme is available [here](#). The poster session will take place on Tuesday 9th April in the evening. Please check that your poster is listed and contact us immediately if not.

Your Poster

Posters must be Portrait, **A0**.

You will need to bring them to the conference with you on **Tuesday 9th April between 1pm – 2.15pm**. The poster boards will be set up in the Urban Sciences building (opposite the Frederick Douglas Building where the rest of the conference is taking place.) You can see the location of the building [on this map](#).

You will not have a set board so please place your poster on any free board when you arrive. We will provide Velcro to attach to the boards.

We will require you to take your poster away with you at the end of that same day. Any that have been left will be recycled.

On the evening

Please be present at your poster for any questions during the poster and wine reception.
